Selection of Hearts Artists

Week of August 19 – 23, 2019

Heart Sculpture Artists are selected by a committee of San Francisco General Hospital Foundation Staff, Foundation Board Members, and Community Volunteers. The number of Heart Sculptures produced varies each year, as does the number of Heart Artists selected.

Applicant Notification via Email

Week of August 26 – 30, 2019

Delivery of Heart Sculptures to Artists

Week of September 2 - 6, 2019

San Francisco General Hospital Foundation will work with our selected Heart Artists to arrange for the delivery of Heart Sculptures (Foundation will cover expense related to delivery and pick-up). Heart Artists must provide their own workspace. Please ensure that your workspace can accommodate the size of your Heart Sculpture.

For Large Heart Sculptures, workspace doorway width **must** be 40 inches or wider. If your workspace is not located on the ground level, elevator access **must** be available for delivery. Please retain the wooden pallet the Heart Sculpture is delivered on.

Please save any protective wrapping that is delivered with your Heart Sculpture so that it can be used when your Heart Sculpture is returned to the Foundation.

Heart Sculpture Completion Deadline

Thursday, October 31, 2019

All Large Heart Sculptures **must** be finished with anti-graffiti top coats and other appropriate varnish. Heart Sculptures, upon completion, must reflect the original design submission. When you have completed your Heart Sculpture, please contact the Foundation to arrange for pickup (Foundation will cover related expense).

Heart Sculptures on Display at Foundation Signature Event

February 2020

Heart Sculptures will be on display at the Foundation's Annual Fundraiser Events, to be held in February 2020. Heart Sculptures may also be auctioned or given to major sponsors of our Signature Events.

Heart Sculptures on Public Display

February through October 2020

Select Large Heart Sculptures **may** be placed on public display at Union Square in San Francisco at the discretion of the Foundation.
