## Heart Artist License Agreement

Dear Heart Sculpture Artist,

The attached license agreement between the San Francisco General Hospital Foundation (“Foundation”) and you is intended to facilitate the ability of the Foundation to raise critically important funding for our mission to support and fund excellence in patient care and innovation at Zuckerberg San Francisco General Hospital and Trauma Center. The Agreement ensures that the Foundation can raise funding by auctioning and selling Heart Sculptures and merchandise that depicts the **Hearts in San Francisco** artwork.

The agreement includes the following provisions:

1. The agreement provides assurances from you that you in fact own all rights to the **Hearts in San Francisco** artwork provided and submitted.
2. The agreement grants a perpetual, nonexclusive license from you to the Foundation to reproduce, distribute, and display the artwork, and to prepare derivative works from the artwork. The license granted to the Foundation is for use in connection with the **Hearts in San Francisco** project. Please note that you retain all rights in the work and are free to grant licenses to other parties in addition to the license granted to the Foundation. The Foundation agrees that it will not alter the physical artwork itself. The Foundation may transfer or sub-license its rights to others.
3. The agreement contains several standard legal clauses concerning the state laws that govern the agreement, amendment of the agreement, and the effect if a provision is found to be invalid. The agreement also states that it constitutes the complete agreement between the parties and that the agreement supersedes all other negotiations, understandings, or agreements between the parties, including this letter.

The Foundation encourages you to have your own attorney review the agreement and discuss it with you. We appreciate your interest in the San Francisco General Hospital Foundation’s **Hearts in San Francisco** project.

**Please Note:** If you are selected as a Heart Sculpture Artist, the San Francisco General Hospital Foundation will provide you with a countersigned copy of this agreement.
